My Dear Doctor:

Please accept my
most hearty thanks for
your kindness in sending
the tapestries to Mr. Benson.

I would have called on you
personally last Saturday -
but was suffering from a chill
and had to leave my office
before its usual close.

Dr. Barharin,

My dear Doctor:

If you do not think
that the Art-committee will
purchase my two tapestries—
I would greatly be obliged to
you if you would send them
by Express to Mr. Geo W. Benson
390 Main st. Buffalo, N.Y.

I really feel quite awkward
in having to ask such favor
of you & thus trouble you with
my own affairs — but as the
pieces were placed in the Gallery

by an untrustworthy person -
I must appeal to you for getting
them out again, for which trouble
I thank you most heartily.

The expressage will be
paid at the other end by
Mr Benson. It would be well
to put \$300 value on them in
order to insure careful handling.

On Wednesday next I shall
personally thank you for
your trouble.

Very truly yours

Gentlemen:-

I enclose herewith for your consideration, a letter from Mr Albert Operti, a talented young artist from New York, in which he requests permission to place his large Historical Painting, "The Farthest North" in the Corcoran Art Gallery pending its purchase by the Government, for which it was painted.

Mr Operti will apply, first to the Capitol or War Department for permission to place his picture on their walls, and, failing in this

desires the alternation of consigning it to your building.

The subject is one of National pride and interest and is well worthy of a place in any gallery. It represents a scene at the farthest northern point attained by the Lady Franklin Bay Expedition, at which time they wrested from England an honor which she had maintained for nearly three centuries - The most northern point on our globe.

Trusting that this matter will receive your most favorable consideration,

I am,

Very truly yours

Dear Sir,

Your postal Card
of the 25th ult^o was duly received,
informing me, that the Trustees "will be
glad to receive the Heart Ache," which,
from its merit, I hope, will affect them
as pleasantly, as it does me, (paradoxical
as it may seem.)

My family, just now, is in the throes
of moving from our Country, to our
city residence, which delays my sending
the picture at once; Thus the frame, from its
migrations from the "Salon" to Philadelphia; &
here, is in need of patching up, so I shall
be obliged to delay sending, to attend to its
requirements.

In the meantime,
let me thank you, for defining the
difference between "Permit" and "glad to
receive" & pleasantly, to the father of
the young Artist. Yours Respectfully S. H. Pearce.
